Adult Day Care Centers

SERVICES OFFERED:

Adult Day Care Centers offer a variety of medical services as well as social and recreational programs. Medical services may range from a registered nurse administering medicines – to a facility providing skilled nursing care and a full range of therapy services. Centers may be privately owned, part of a nursing home, sponsored by religious, fraternal, or neighborhood organizations, or run by a local hospital or government agency.

ABILITIES REQUIRED:

A wide range is accepted. Depending on the medical services available, the required abilities could range from a person who is independent, mobile, and perhaps in the very early stages of Alzheimer's disease to a person who requires 24-hour skilled nursing care.

ACCREDITATION/LICENSURE:

In Pennsylvania, a license is required by the state's Department of Aging and/or Department of Public Welfare.

METHODS OF PAYMENT:

Private pay; Long-Term Care Insurance; short term Veterans benefits possible. If funding is needed, contact the Chester County Department of Aging Information and Referral Unit (610-344-6350) for income and eligibility cost-sharing guidelines.

QUESTIONS TO ASK:

- 1) How long has the center been operating and who owns it? Is the facility licensed by the state? What are the days and hours of operation?
- 2) Is there a rate schedule for services? Or a flat, hourly fee?
- 3) What services are available? Therapies?
- 4) Are "drop-ins" accepted? How much notice must be given?
- 5) What does a sample menu look like for a week? What is a person has special dietary requirements – how is this handled?
- 6) What kinds of activities and/or programming does the center offer?
- 7) Who is on staff (aides, registered nurses)? What type of training has the staff received?
- 8) What is the center's emergency procedure? Who is called? What hospital is used?
- 9) Does the center have a list of references that can be contacted?
