Coatesville Fire Victims Relief Coordination

The Chester County Department of Community Development, with the assistance of the Community, Youth, & Women's Alliance (CYWA) staff and the Building Bridges Program Supervisor, has compiled a list of contacts and information for coordination of services for the families affected by the arson fires that have affected the City of Coatesville.

Please refer to the [Coordination of Assistance for Coatesville Fire Victims](#) communications update to learn where donations should be directed.

Participation and Assistance

A Resource Coordination Meeting for the citizens of Coatesville was held on Tuesday, January 27, 2009.

Community leaders, government officials, and local citizens discussed how donations will be coordinated and delivered to those displaced by the fires.

The Cooperative Spirit of Community

We are extremely grateful for the neighborly dedication and willingness to assist on the part of everyone who is offering contributions to this cause.

We ask that you please call the appropriate agency on this list prior to dropping donations off.
