

Chester County School of Government

Understanding Your County at Work

What do you know about
your local government?

What is the County's responsibility when it comes to open space, transportation, your health and recreation, courts and justice, and emergency services? And what are the County's goals to provide the best services for its citizens?

If you are a citizen of Chester County and would like to know more about all your county services, reserve your place at the Chester County School of Government.

The School of Government is a free seven week course, led by Chester County elected officials and directors, covering topics such as Human Services, Health and Environmental Health, the Justice System, Emergency Services, Planning, Parks, the Library System and Voter Services.

Spaces for the School of Government are limited. For more information and to reserve your place, email
