CHESTER COUNTY, PA

CHESTER COUNTY GREENHOUSE GAS EMISSIONS REDUCTION TASK FORCE

Our Mission:

We are a 70 member volunteer Task Force, whose purpose is to study and provide written recommendations to the Commissioners on how to best address climate change with regard to economic, technical and environmental considerations.

for more information: www.chescogreen.org & www.chesco.org

Appointed by Chester County Commissioners:
Carol Aichele, Kathi Cozzone, Terence Farrell
