HEALTH AND WELLNESS SCREENINGS

West Chester, PA - The Chester County Health Department will be offering health screenings at the Government Services Center on Wednesday, August 5th from 2:00-5:00 pm. **Free** screenings will be given for anemia, blood sugar (1-2 hour fast preferred), and blood pressure. A \$15 fee is charged for non-fasting cholesterol screening (appointment needed), which measures Total and HDL cholesterol levels.

The screenings provide an opportunity to learn more about the risk factors for cardiovascular disease, high blood pressure, diabetes and anemia. Health professionals will offer the screening tests in combination with information on the benefits of healthy eating and regular physical activity.

For directions and appointment, call 610-344-6490 or email cchd@chesco.org.
