**RE: FEE FOR PARCEL MAPS FROM BLR COUNTER**

---

Dear Title Community,

Beginning September 6, 2006, more than one parcel map printed at the BLR counter will cost \$5.00 each. Due to rising costs and budget cuts, we regret that this action is necessary.

You can print a similar parcel map at a cost of \$.50 from the public computers in the Recorder's Research Library. In addition, maps are available at the Geographic Information Systems and Tax Assessment offices on the second floor. Please see staff if you need assistance.

Thank you and should you have further questions, please e-mail us at
