General instructions: Application must be mailed in a new (pink) Official Antlerless Deer License Envelope directly to a County Treasurer (please refer to the addresses listed in this section). You may send your application to any County Treasurer, not just one located within your WMU preference(s). Do not mail application to the Game Commission. Resident applicants may apply for first (one only) antlerless deer license beginning July 13. Nonresident applicants may apply for first (one only) antlerless deer license beginning July 27. Residents and nonresidents may apply for first (one only) unsold antlerless deer license beginning August 3. See instructions and timetable in this section for applying for antlerless deer licenses in WMUs 2B, 5C and 5D. Residents and nonresidents may apply for second (one only) unsold antlerless deer license beginning August 17. At least one WMU preference must be entered on the application. If you are applying with others (group application - limit of three individual applications per envelope) for the exact same WMU preferences, submit one check or money order for all three applications. If applicants select different WMU preferences, a separate check or money order for each application is strongly recommended. Otherwise, all applications could be rejected if one cannot be processed due to a selected WMU(s) selling out. Write your CID number on the check or money order, must be in U.S. dollars and payable to "County Treasurer." Please print plainly and remember to sign and date your application.

(Detach application below, complete and mail to a County Treasurer as per the general instructions.)
