# Attention Chester County Employers!

## Upcoming Job Training Opportunities for Workers and Employers in Chester County

We're seeking to identify and recruit local employers to participate in an On-the-Job-Training program that will be coordinated in our area soon!

**What is the On-the-Job Training (OJT) program?**

- Will help defer training costs so that employers can hire new workers who require On-the-Job Training.
- The Chester County WIB will provide OJT experiences for eligible Dislocated Workers, Adults, Youth and EARN customers.
- WorkKeys assessment tool will pre-screen and profile worker skill levels to ensure career readiness in specific industries.
- Employers will be eligible for a 50% reimbursement of a new worker's salary for a period of 12-16 weeks, not to exceed \$6,000 per OJT.

The Chester County WIB would like to add you to our communications list so you can start receiving our e-Newsletter updates and hear more about these new training programs as they develop. Sign up today at [www.chesco.org/wib](http://www.chesco.org/wib).
