Dear Mr. Bokovitz:

This is to advise you that the Department of Labor & Industry (L&I) Local Plan Review Team has completed its review of the Chester County Workforce Investment Board's Program Year 2009 modification of the Workforce Investment Act (WIA) Local Plan. The Local Plan modification is approved through June 30, 2010. Additionally, this letter provides documentation of the extension for your last-approved Local Plan, from September 30, 2009 to the date of approval of the modification for PY 2009.

This approval of your Local Plan will also allow you to draw down on the WIA and other funds under the responsibility of the Bureau of Workforce Development Partnership and allocated to the Chester County Local Workforce Investment Area.

Please post the final version of your Local Plan on your website, along with this letter, so that it will be available to the public or anyone interested in the Local Area's workforce development system.

If you have questions, please feel free to contact the PA CareerLink® Oversight Coordination Services staff assigned to you.

Sincerely,

Christine M. Enright

Director
